“ Good brother, we've never seen each other without having an at least 15 minute conversation. A solid brother all the way. Peace be unto you!

“ Getting the call that you passed, and ON my birthday was absolutely heartbreaking. I've been at a loss of words since. Knowing that I won't hear you calling me walking down the hallways at RWJ won't be the same. Working with you was an absolute pleasure. You're smile, your walk, your demeanor was EPIC. You took such pride in your work. You made the patients comfortable with your conversations with them. You are and will be forever missed. You will FOREVER be referred as "Mr. Mayor" and I'll always be your friend "Hershey Bar". I love you my friend.

My heartfelt condolences to the friends and family of Keith Taylor, aka "Mr. Mayor". Rest well my friend, your job here on earth is complete.
