“ Greetings and condolences. IAM the stautue. I have known Boo for 28 years. Once upon a time him, my wife and his wife were like one. His wife Diane was the first to die. My wife Francine Walton died 18 years ago. My uncle Lloyd Boston died a year later. Their wakes were all there. I am the man with the red robe on. With the medal around my neck. I am the return of the son of man. Revalations 22:16. Juma=Angel of Death. The coming Messiah has a face. You and all flesh will continue to see face.
