“ *We worked together for a few years and we had fun at those times.....you will always be remembered for your caring of others....a beautiful person, but the Lord wanted you early.....BUT too early for us.....A candle was lit for you and your family this am at my church for Peace and Comfort!*

“ *For more years than I can recall, we shared a cubicle, we shared laughs and we shared good times. My friend, you will be sorely missed. Your laugh is still with me- will be with me always. The many years I've called you my friend are precious. Until we meet again in His house, I wish you peace and only comfort to your family that meant so much to you. Watch over us all.*

“ I worked with Kim for years...we had many conversations regarding union business and just plain ol everyday life. Kim, you were taken too young, but God needed you girl! He had a plan for you...I know you touched my life and many many others! To her family: always remember that Kim is not gone, she is here, with you, every minute of every day, maybe not in body but in spirit, and she will sends signs to let you know she is still with you....trust me I know! So cherish the memories and know that Kim was an amazing being!
