“ *I looked forward to the time of the day when Lauredell started her shift on CAB 4. I knew that I would see her and talk to her then. She always had a smile, a kind word, and a goody to share with me. She will always be a ray of sunshine in me. Dr. Gloria Bachmann, Rutgers Robert Wood Johnson Medical School.*

“ Every evening Laura stopped by my office to check in on me and to trade stories about our day and what was going on in our lives. We both kept late hours and it was always lovely to chat with her. She left a legacy of kindness, generosity (I was a lucky beneficiary of one of her sweet potato pies) and humor that I will miss greatly. Sending my deepest condolences to her family.
