“ I met Leroy through my parents who lived next to him at my childhood home. I living in Bordentown as well would see him often when visiting my parents.

Immediately meeting Leroy, his warm and friendly personality was felt and that would continue for years and years.

He would always be at our get together, perked or even a relaxing Sunday sitting outside my parents house, Leroy always would stop by and say hello and would always make the moment brighter and warm.

In a world that where so many people have become cold & distant from each other, I feel blessed to have known Leroy and celebrate life and kindness with him. He was genuinely a beautiful & pure soul, and I hope his essence and memory stay with me as he is an inspiration for all to be like.

Rest well brother & I hope I will see you again.

“ I first met Leroy at United Airlines when we worked together in sales. Leory was stationed in Wichita, KS and I was in Omaha, NE. We reported to the same district office and I will always remember what a welcoming, friendly guy he was when we would meet for district meetings. We continued our friendship throughout our careers and I looked forward to every opportunity to catch up with him.

My condolences to his family in the loss of such a wonderful human being. May he rest in peace.
