“ *Grandma,*

We will always love you and Miss you. Its going to be rough but I know your looking down on us right now so everything will be ok. Give my Dad a hug for me. Tell Pop-Pop, Uncle Kev, Uncle Joey, And Aunt Patsy I love them.

“ *To Lillian's family and friends, my sympathies. Even though she lived a good life and a long one, there is still more life to come for her. When we think of the promises that Jesus made we know we will see our sister again. I love the one in the fifth chapter of John where Jesus tells us about the time when we will hear his voice and come out to a resurrection. I pray you find comfort in Jesus words.*
