

Linda L Pierre

December 9, 1969 - January 18, 2025

But my God shall supply all your needs according to his riches in glory by Christ Jesus.

-Philippians 4:19

Linda Pierre, 55, of Hidden Hollow Ct, Piscataway, passed away peacefully on January 18, 2025, after standing strong in her fight against cancer.

Linda was born in Port of Spain Trinidad on December 09, 1969. She graduated from Tranquility Secondary School in Trinidad prior to immigrating the United States in 1988 where she settled in New Jersey.

Linda received her Bachelor of Arts degree from Purdue University as well as her Master of Arts in educational leadership.

Soon after settling in Plainfield, New Jersey, Linda joined Calvary Revival Center in Plainfield, where she accepted Jesus Christ as Lord and savior, got baptized, and served in multiple ministries including singing in the church choir.

Linda's devotion and faith in Christ became the sole driving force for the rest of her life. She later joined Evangel Church in Scotch Plains, New Jersey where she faithfully taught Sunday School, alongside her daughter, Krysta.

Linda had a love for children and a passion for education. She worked with

Steve and Adrienne McMoran of Westfield and formed a lifelong bond of love, while providing care for their two daughters, Stefanie and Jasmine.

Linda later joined Timothy Christian School of Piscataway and served as a Vice Principal where she exhibited her passion for Christ and lead with compassion toward the students and their families under her care.

Linda led a selfless life that focused on exemplifying her love for others through her volunteering, service in ministry, empathy in friendships, and a deep love for her family, especially her daughter Krysta.

When she was not providing support for others, you can find Linda either at the gym or walking with one of her friends.

Though she will be truly missed, her legacy of love and compassion will live with us forever.

“ Linda's impact on the lives of the students of TCS was abundant. Our girls grew up together since 1st grade. She saw the potential and value in each one of them, encouraged them, loved them and advocated for all of them. She was at many of the girl's groups for my daughter and her classmates from MS through HS always involved in anything that impacted Krysta. I recall sitting on the floor watching movies with the girls and talking about how they saw God in the story. She was a fierce protector of what is good and right and always giving of herself. Her smile, laughter and calm confidence in Christ was like a warm hug when you were with her. Her impact continues in the lives of all she touched. Love you, my friend.

“ I will miss my dear friend Linda. I always told her she couldn't leave Timothy until my boys had graduated. She was my shoulder to cry on all these years. So full of wisdom and grace. She made mountains seem like molehills. She will be greatly missed, but we hold on to the hope of seeing her again one day soon!

“ She was driving past my house on a random day in August and she calls me just out of the blue to tell me to run to my window because there is the biggest, most beautiful rainbow outside my house. When Linda tells you to do something, you listen. So, I go outside and sure enough that rainbow was absolutely breathtaking. I immediately took a picture and sent it to her. How amazing that it was my last text to her. I will miss you my friend.

“ Didn't realize this would be our last picture together. When our girls were little, she was my room parent buddy for many years at TCS. I thank you for always being so willing to take Adri home with you when I worked late. You were dedicated in everything you put your hands to do. You were a great mother to Krysta and later to other students as you worked at TCS. Krysta, please know you are in my thoughts and prayers! I know people always say this but I mean it that if you need anything please reach out. Praying for God's supernatural comfort to fill your heart at this time and always! Your mom was proud of you... so continue to live for Christ and make your mom proud!

“ Linda was a light, a powerful quiet warrior. I am proud to have known her for 19 years. She was always helpful and giving. Whenever you needed something done, even at the last minute she would come through. When things were difficult during the High school years, she was one of my rocks. She quiet would fight for righteous behind the scenes. How I will miss her wondrous smile and truth beyond measure. May the Lord keep His hand upon you Kyrsta and be a light just like your Mom.
