“ I knew Linda since grade school. We grew up together on Seaman street. We shared many a laughs, parties in Franklin, playing in her backyard and going through high school together. We grew apart went are separate ways but she always remained in my heart. Rest easy Linda.

“ God bless you all in your time of sadness. Linda has gone home and hopefully she will find peace. I knew Linda, though not well, for many years. She had her special gift of style that she shared. I pray for her family and all whose lives she touched
