“ Only God knows why your time on earth was so short but he needed you home. Continue to watch over your parents, brothers and family. You’ve left a lifetime imprint of such a precious memory that no one will ever forget. Rest in peace for eternity my handsome nephew. Love Always, Aunt Alisha 🙏❤️

“ I miss you so much my sweet angel!! I don’t understand why god took you from us but I know I gained an angel. You will forever be missed and everytime I think of you a tear drop but I know you’re there to wipe them away. You will always be here with me, your father, and brother’s spiritually but I can’t help but to miss you physically but I will always cherish the beautiful memories you gave mommy and the beautiful kisses and hugs you gave me.
