“ *Our hearts are heavy & we grieve with you. Aunt Maggie Rae would call us here in N C & talk to catch up on the latest news. We used to meet her for her family Reunion on the farm. She sent boxes of clothes. I can remember her sending me some prosthesis bras. We looked forward to her staying with her sister inlaw Goodie. She was a fashionista. A dressing woman from head to toe. Aunt Maggie was our last living aunt of my grandma Goodies siblings. With our Deepest Condolences for our beloved Aunt. Forever loving Harriet T. Ninety Edwards & Theressa Faye Mitchell.*
