“ *Evangelist Margaret Winn was a keeper of everything Holy and Divine. Words can't Express the true essence of what she meant to me and my children. She poured so much of herself in me to assure my safety and well being. She was the Spritual Guide I needed to get me from point A to point B. Her most infamous words were "no Bea, talk to Jesus, he will work it out" I found that to be true. I am alive today, because of her love, understanding, guidance, patience, love and example she placed before me. She truly lived the life she preached about. Covid19 robbed me of the opportunity to really shower her with the kindness and attention she deserved. I say to the family, thank you for sharing her with me over the years. Yes, she loved you all so much, she love me so much. As she was our Earthly Angel here, she is our Heavenly Angel now. Please take comfort in knowing that 'she didn't leave home, she went home'. I, Pastor Bernadine Byrd will always love ,miss and honor your Mom. Thanks and God bless you all. I am here to serve if you ever need me. ❤️❤️❤️❤️ I Love you just as much as your Mom loved me.*
