“ To Aunt Marilyn's family we extend our sincere condolences that you find peace. She was a soft and kind hearted presence on Old Rose St. She opened her heart and her home to so many who needed her loving care. Our families created an awesome village of generations. I will never forget the influence Aunt Marilyn had on so many while raising her own. We know that God has a special mission for her now and forever.

Nana I miss you so much. You taught me so much, how to cook, how to be independent, how to be me no matter who had anything to say. I loved go food shopping with you and our walks downtown. You will forever be missed. My heart hurts so bad. I know that you are watching over us and fussing about what we are doing. I love you tell everyone I said I miss them I miss and love them. I'm trying not to cry while typing this.

I hate that I found out so late but I'm here to give my last respects to a great young lady. Ms.Marylin was the last living attachment to my childhood and how things used to be around Lincoln Homes. I think of Ms Marylin Everytime I walk by her apartment. Condolences to her family and Ms Marylin will forever be missed by me.
