“ Dear Beloved Family of Mary Charles Hagood,
I met "Chuck", as we affectionately called your precious, beautiful Mother, in the mid-1960s when both of us were employed at the Corporate Headquarters of Johnson & Johnson. We clicked immediately! I believed that the Lord connected our hearts right away because both of us were raising 2 children, and both of us needed each other for moral support in a fast-paced work environment.

Chuck was one of the most conscientious, dedicated workers that I have ever met. She was very proficient in many facets of the Purchasing Department. Her work ethic was top-notch! Her standard was excellence! She never lowered her standards for anyone or for any reason! Her attitude was always positive, and she always offered newcomers like me words of encouragement.

Chuck was always willing to help me out when I needed help, especially in doing our daughters' hair. One had long thick hair, and Chuck was always ready to tackle that job for me. Speaking of hair, Chuck had the fullest head of well-groomed hair at Johnson and Johnson...and it was a beautiful shade of medium-auburn. Heads turned when she walked by! Her hair was outstanding everyday! I eventually was transferred out of Purchasing Department, but we still would see each other for several more years.

Our employment took us into various directions, but I always kept a special place in my heart for Chuck. I recall Chuck as being one of the most down to earth young women that I have ever met. She was the real deal! There was no fluff and no foolishness about her. I remember her Mom, Mildred, coming to NJ from her position in NYC on weekends. She loved and treasured Brian and Michael! She spoiled them to pieces with her special gifts and surprises, and they loved her dearly. Well, Chuck spent the next 7 days trying to "un-spoil" the boys until Grandma returned the following week. Precious memories...

So dear loved ones, we give praise and thanks to Jesus for connecting our hearts with your loving Mom's heart. Thank the Lord for her every day and tell your offspring about your heaven-sent Mom who loved you very deeply. I am a living witness. My husband and daughters offer our heartfelt condolences to all of you, as you cherish your memories of your beloved Mother.

Remember that earth has no sorrows that Jesus cannot heal. Call out to the Lord when your heart is breaking and feel that this world has nothing to offer you: Jesus will comfort you, and Jesus will save you. Read Chapter 3 of the book of John in your Bible or online. Read John 3:16-17. You will be blessed now and eternally.

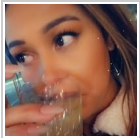

*With Love and Prayers, we pray for God's Comfort and Peace,
Mrs. Lillian Clark, husband Hinton, and Family*

“ Mom.

Through good and bad. Light or darkness. I will always remember how you never quit. You were both Mother and Father. Teaching me life lessons I didn't know I'd need back then. But you did. Taught me to cook, clean sew my clothes. So I'd never have to have someone do it for me.

I am so glad we were able to build a bridge back to each other. I am glad you were able to see that although not a Millionaire, that i was ok, healthy and Adulting.

I am happy i was able to see you and bring both your Grand Daughter Sahrye and great grand son Braylen.

Rest mom.

I love you always.
