“ *To the Brown Family
It was sadden to hear the passing of a dear friend.
We stayed in the same at place 447 Bellevue Plaza.
He always had a kind word of wisdom. He knew I loved Pepsi sodas
and he would always say here this is for you.

“ *My heartfelt sympathy goes out to the Brown and Victory
Tabernacle Church families. Elder Brown was a "spiritual father" to
me dating back to my days as a part of the Trenton Community
Youth Crusade Choir. His vivacious manner of preaching and
commitment to outreach, I will always remember. I will continue to
carry the "torch" you passed to me. Dad, I'll forever love you. ❤️
Rest in eternal peace from your labors. 😇*

“ To Reverend Melvin's family: my condolences to the entire family as you grieve this loss. Reverend Mel will be missed by so many, his family, his friends, co workers, those who served with him on many boards. We are heart broken to learn of his sudden passing at a young age.

Reverend Mel shepherded our Good Friends board through his many years of dedication, and inspired many over the years to believe in oneself.

Mel was a gracious and giving soul who only had kind words for everyone. He was held in the greatest affection and respect. His beautiful and friendly smile will be remembered by all and may that memory put a smile on our faces. There is little comfort in words, but please know that Reverend Mel had a personality that rose above us.

My sympathy and prayers go out to his loving family. May you find peace in knowing that your grief is shared by many. Nancy Sherlock
