“ *We are deeply saddened by the passing of Millie, she was a wonderful person who spread much love and kindness to everyone. We will miss her very much her kindness and love for Teri was fantastic. I know she loved her family very much and her faith in God was an inspiration to all that knew her. I am sorry she did not get to see her mom she talked about her often.. I know she is free of pain and I know she is with God. Teri has and always will miss her dear friend. Much love from the Karaman family.*
