“ Auntie Nancy will be missed so much. I remember the last time we got together, we went to the dinner on route 18. We laughed, we talked, and enjoyed each other. I am praying for my family because she was a matriarch in the family. I am so blessed that she was in my life.

“ Nancy has made a difference in so many lives. I’m grateful for her to have been my closest friend for over 62 years. We were sisters at heart. I grieve her loss and pray for her peace in her eternal rest. My heart goes out to you all for the loss of your dear mom, sister, auntie and cousin. I pray our happy memories will help us through this difficult time.

Love to All, JoAnn B. Jones
