“ *I have many fond memories of times spent with Norma and the family. I was amazed by her ability to fish, plant beautiful flower gardens and bountiful vegetable gardens. She was a wonderful mother and she loved her family dearly. Until we meet again Norma, you are gone but certainly not forgotten. Love Always, Valerie S.*

“ *I loved working with you at the schools. Every morning when I came to work, I would always bring you a donut from the bakery and we would sit in your office until 8:10 and just talk and gossip. Throughout the day I would come find you in the school and we would just sit and talk and joke around. I regret not keeping in constant contact with you after they moved you to a different school but you will truly be missed!!*
