“ *Gram you were the ROCK of this family. Me being the oldest grand, I have spent 52 of your 92 years with you. I've seen you so strong and vibrant and such a prayer warrior. I have seen you cry many tears, I have seen you soar and achieve and I have seen you provide you for your children's needs. I've seen you grow old gracefully. You were the one who introduced me to Christ, which was the ultimate gift of everlasting life. I will see you again Gram. Until then you rest on my Dove. I Love You!!*
