“ Dear Family of Beloved Hosea Hooper, Please know Hosea "Osee" meant more than you know. We lived across the street from each other, Sampson and Talmadge. After Hosea moved from Central Avenue we continued to grow up together in the brainy boro. Our sweet memories of Mother Scruggs clings closely to our hearts. I remember as a young child having Mother Scruggs delicious dinner rolls. Then visiting her often at her home until her transition. All of Mother Scruggs legacies "Jewels in her crown" are as brilliant as the other. Hosea will forever be cherished in loving memory for his incredible FORTITUDE in this living that we all have been totally blessed with. I learned from Hosea's living - that no matter what the circumstance! "Keep Going, press on toward the mark until its time for our rest, just keep going". Thank You "Brother Hosea" , for teaching me how to stay on the path and press on toward the mark... Your life was divine inspiration...Friends are more precious than silver or gold...Sincerely Vanessa Davidson and Mother Virginia Davidson...
