“ Mommy...I love you with all of my heart and soul! You can't imagine the hole, feelings of pain me and Dyrelle feel. Dyrelle's heart is shattered. Tell me mommy how do I heal Relle? I need help with that for-real! I call you and you always have the right words, always let me know how good and worthy I am. You admire in me something I get from you strength! I know how much you love Jyrelle and he loves you back and knows something's not right, you're missing. These days don't seem real, you not accessible is unreal. No one will or can take your place in our life. I'm gonna do everything you want me to do, I promise! Your baby girl, Chris
