“ *To the family this is Caren Ellis Waller correct spelling. I just want to remember my Godmother as she was a warm loving person who' smile and sense of humer lit up any room. I remember she sent me birthday cards every year with a surprise in it. The visits were everlasting. I remember all the beautiful plants she had what a green thumb she had. I am so glad that my children met her and Mr. Blocker before they both passed. I will remember them both forever they are together now smiling and at pease I love you both forever. Your God daughter Caren Ellis Waller.*
