“ *I've known Qua since Middle School, Willingboro.
Regretfully, as it is with many we lost touch. I've always
loved him regardless and asked about him often.
You ran through my head randomly the other day Qua, now
I understand why! Sleep well my guy... you are loved &
won't be forgotten!
Love Rach*

“ To be absent from the body is to be present with the Lord. Tyshawnda, may God you & your son, De’von during this difficult time of your husband’s transition to be with our King. May the Lord bless y’all, keep y’all and make His Face shine upon y’all and the rest of his family & loved ones. God bless you all.

Sincerely,

“ I can't believe you are gone so young. This hits hard because our boys Quadir Jr and De'wan need you here. There is no more pain and no more struggle. You are reunited with you mom. Now you can rest easy. May God be with you homie.

Quadir, aka Dee, it's been many years since I've seen you. I'm remembering the time you came home with Shannon. The things that transpired during that visit, gave me and him many laughs when the memory came up. Maybe the two of you can laugh abt it together now. May you rest rest in peace in God's arms.
