“ *Ralston Johnson (Johnno) was a very dear friend and brethren. There are so many memories growing up in Hope Village, Williams Field, Jamaica with guys like Howard Powell (Howie), Patrick Brown (Pata), Horace McIntosh (Quince), Keith Brown (Bruno) and Keith McCloud (Junior) we had loads of fun. Johnno will be sadly missed but let's cherish and celebrate times well spent. RIP my brother...!*

“ Rally, our hearts are heavy you will forever be in our hearts and memories. Paris and I will deeply miss you, You are the reason Paris and I have the love and knowledge of a fine luxury automobile. You maybe thought we were not listening or maybe was not interested. But we were like a student listening to a professor teach. We are very grateful that we had the opportunity to know you.

Rest In Peace

Love Paris and Donna
