“ Rayfield and I were in the Navy at the same time. We served on the USS Midway CVA41. Most of our time was spent in the Orient. Japan, Hong Kong, Korea and Philippines. Rayfield, or "stretch " as we called him, was a gentle soul. A very good photographer, he basically stayed to himself, taking and developing pictures. Ray and I would talk every Thursday, some time about black or African history, sometimes about religion. He was very well read regarding African history as well as black history and taught me things I never knew. I'll miss you good buddy. Rest in Peace 🙏 . Your friend, H. Keith Susberry.

“ As Raphael Gibson & Grandma Delores Greatest Grandson, I want to say I loved my uncle rayfield very much, even though we didn't talk all the time, I knew he was always in my corner and I was in his corner. When I heard the news. I was truly sad but I know he is in a better place now. I know this is not goodbye truth be told. I know just like any other family member that has been laid to rest. You'll come back with some words of encouragement for Me.

“ *Ray was my brother in law and was uncle to Marky and Mariah. He was a great person and would be with us during the holidays with the Gonzalez family. Always was a support to us when the kids needed him while in school. We will miss you. Love you. Maria, Marky and Mariah*
