“ *Our deepest condolences go out to Raymond's family. We are all saddened to hear of Raymond's passing at American Water. Raymond was a true friend to many of us. He was always able to bring a sense of calmness and humor during our most stressful times. To start his day, Raymond would often read a quote to himself. In one his books, he kept this page marked: "To handle yourself, use your head. To handle others, use your heart." Thank you Raymond for being a part of our lives.*
