“ *The saying gone to soon was never more appropriate. Though quiet, Rita was a force of nature. She was the consummate professional, a true friend and a true Christian. Knowing that she was loved and respected by many and that she inspired countless people to be better human beings hopefully this will bring some comfort to those who loved her. While we mourn our loss, let us celebrate her life and be grateful for having had the opportunity to be in her life.*

Rita will be remembered for her professionalism and her fashion statement. She was proud of her southern upbringing. Her friendliness to me will always be remembered. May she rest well
