“ All praises due!! Daddy, what can I say that I have not ready said. Thank you, thank you, thank you for EVERYTHING that you have done for me and my children. There are soooooo many memories that I will cherish for infinity. You were my partner in crime, my road dog! Traveling with me anywhere, anytime I called and asked you were there. Thank you for being the best poppop any child could ask for. Dropping anything to be sure you were on time to get my children when I was stuck at work. Showing me how to repair just about anything. Measure twice and cut once lol. I will miss your stories, your attention to detail was amazing. All of the jokes and laughs we had about everything. Thanks for being our protector and never letting anything happen to any of us. I am gonna miss our daily calls and visits. Just sitting on the sofa watching the food network, Homestead rescue. The runs to Panera, our carmellos. M&M's, going to IHOP just to get you 2 pancakes. The potato salad, tuna salad and deviled eggs. You calling me to tell me that my lunch was ready. Hearing your voice on the other end of the call saying "it must be me if it ain't you"! Daddy I am going to miss everything about you, but I know you are another angel protecting us. Love ya so much. 🥰 Tess

“ I will surely miss my "Heyyy Baby" phone calls from Uncle which lasted anywhere from 10 minutes to 10 hours. Oh the vault of history and stories he shared were always interesting. As much as he talked however, he listened. He was a very disciplined listener and always responded appropriately to let you know he heard you. Rest Well, Uncle. Until we meet again.
