I'm very sad to hear of Ronald's passing. He was my high school sweetheart when he was in Clarksville. He stayed connected to the family in Clarksville and my family absolutely loved him. He had a free spirit and always talking crazy. It's so hard to think of him gone. We stayed in contact from time to time. But unfortunately it had been a while since we spoke. May his soul rest in God. Blessings and peach to his family. May the God of all comfort be with you.
