“ Condolences to Kelly, Kory and Tykyia on the passing of their beloved mother. Rose was my friend and had been for many years. We had a lot of memories, too many to mention. During almost 50 years our friendship endured. The past few years have seen us both with various health problems. Rose was vibrant and funny even during illness. She could make me laugh like no one else. Boy, i will miss her, a part of me can't believe she's gone. There are still tears as i think abt her and even in death she can still make me smile and laugh. I love you Rose and will miss you until God calls me home. Rest now sweet Rose, we lovrd you but God loved you best.
