“ I thank God for affording me the privilege and honour of knowing Royce Ramsey my Uncle. His tender heart and strong spirit comforted me greatly in my earliest childhood years as if I were his son and his daughters my sisters, though my cousins. Through him I learned love tangibly and felt it regardless of time and space, which will continue til we see each other again. Nephew loves you Unc and will always be proud to be your nephew. Thank you for every moment we shared. You were/are a gift from God.
Love eternally.

“ My two fondest memories of my Uncle Roy was when he came to see me off to senior prom and when he watched me get my first college degree. He was so excited to be a part of both events, he cried. He was always ready to dance and enjoy himself at a party. Sleep well in heaven with the rest of the fam Unc. You'll be missed
