“ Aunt Viola loved to dance. She shared her testimony any time she had a chance. She would sing, "Fill my cup Lord ". She would say "It's me and my Jesus". Now she is in heaven dancing with her Jesus!

Deepest sympathies to all. My fond memories of my 'big cousin' Vi, which were her words, include when she stayed with us. She was always sure to remind me of that and that I have to listen to her. She said exactly what was on her mind. She loved Jesus, I am sure of this! She was indeed a blessing whose memory will live on forever! Thank you God for Vi!

“ From Leotta Bruce/Ceres

I said to Viola “get up and wash these dishes” she did not budge! Then it had to be God that taught me. I said “Vi your sister come in tired from work can you please come and wash the dishes” To my surprise She said “yes darling” and did more than just the dishes 😊

Vi lived with us (the Welches) for a little while before coming to the US. The only time we could get her to get up and get dressed fast was when we told her we were going to church. That girl loved her Jesus. The other times she would lift up her head and look you straight in the eyes and say this line, ' eyes an pass me! Id yuh big cuddin yuh know.' To which we could only laugh because it was true. Good times with Vi. Rest in Peace my big cuz, love you! 😊

Aunty Vie was such a blessing! She always had a song and a testimony. She so loved her Jesus! Through the years it was always a joy to be around her. Now there is nothing or no one to separate her from the arms of her loving heavenly Father! She will be sorely missed!
