“ *I have been a volunteer at Parker at the Pavilion for over 5 years, where I came to know and love Ruth. We always had good conversations and I loved her wisdom and her take on life and politics. I visited her at RWJ hospital on October 27, and she told me, in her special way, that she was done with the hospital and doctors and would have no more of it. She was so full of life and energy that I was shocked when I heard she had passed. Today at the funeral I was overcome with emotion and happy to celebrate her extraordinary life. I always enjoyed her company and I miss her. What a blessing to have known and loved this extraordinary human being!*
