“ *I will always cherish my memories of you. You had a smile that would light up the entire room, a laugh that would make others want to laugh with you. You've been more than just an aunt to me. You were my rock, my confidant, my other mother. Its been almost two weeks since you've taken your place amongst the Angels and its still feels so surreal. Words can not express how much i miss you so. You taught me where my voice should come from, how to hold my notes as well as keeping my pitches. My love of music came from you and Uncle Bob. I'll miss shopping with you, our talks on the phone, hearing you call me necee. Just so you know when i need to talk i'll pray it up to you. Love and miss you Aunt Ruth.*
