“ *In this time of sorrow, may you find solace in cherished memories. The legacy of your mother's spirit will forever remain a guiding light. Though she's no longer by your side, her love continues to surround you. May you be granted strength and peace as you navigate this difficult period. Your mother's life, though ended, was a gift that will not be forgotten.*

“ Sabrina was my cousin we spent a lot time together over the years. She was fun caring and such a sweet soul , full of energy. Sabrina was very good with children and her belief in the lord was her main goal. I was visiting her throughout this journey and it was hurtful to watch. Sabrina rest well, god has gained a angel ☐ 🙏
