“ *My heart felt sympathy goes out to you and your family Sprindek. I was saddened to hear of your loss.*

*Although I never had the privilege to meet Sharon, I can tell by the way your face would light up when you would proudly and adoringly share a sliver of your life with Sharon, or your daughters' accomplishments, or Sharon's dedication and commitment to educating our youth in the Schenectady school system with me - I am certain she touched many with her goodness, caring and love.*

*May God's grace, your memories of Sharon, and the love of family and friends surround you with comfort now and in the days ahead.*

*We miss seeing you, and look forward to having you back in our McLane family soon.*

*Warm regards,
