“ My condolences to you Kaylin. Your mother and I have been friends for 35 years and I still can not believe she has passed away. We met 35 years ago at Upsala College in East Orange, NJ. I have many memories of your mom, that I will cherish. We spoke most of the time, at least twice or more a month. She was a great friend and she loved you and was so proud of you. I am already missing our phone conversations.
