“ *My sincere and heartfelt condolences to the family of such a kind and beautiful soul. Taj will truly be missed; his smile, his warmth, and the kindness he shared so freely with everyone he encountered. His presence mattered, and his light will never be forgotten. This one hurts deeply.*

As a mother, I am truly at a loss for words. There is nothing that can be said to ease the pain of losing a child. My heart breaks for his mother, his grandmother, his father, his brothers, and for his nieces and nephews who have lost their uncle. The depth of this loss is unexplainable, and the pain is beyond what words can capture.

Please know that your family is being lifted in prayer during this incredibly difficult time. I pray for strength when the days feel unbearable, comfort in the quiet moments, and peace that surpasses all understanding.

May you feel surrounded by love, support, and God's presence as you navigate this unimaginable loss.
