“ To my dear little cousin,

*Your presence lit up our lives in ways words cannot fully capture. You were a source of joy, love, and laughter, and now that light feels dimmer without you. Though your time here was far too short, the love and memories you shared will remain in our hearts forever.*

*You will be missed deeply and forever loved. Rest peacefully, sweet soul, knowing your legacy of love will carry on in those who had the privilege to know you.*

*With all my love,  
Cousin Regina*
