*This is a tough one. I am still in shock and I know that this pain will be
with those who loved her for a long time. Toni was the wisest, calmest,
and kindest of them all. Everyone loved her in equal measures as she
loved them back. I will especially remember the respectfulness and the
candor with which she dealt with issues without ruffling feathers. We
will miss Toni. However, we are somewhat consoled that she is now at
peace and rest in the blossom of the Lord. Sleep on my dear friend,
until we meet to part no more, Amen*
