“ *Mrs. Stevens was truly one of a kind. She had a gift for making every child feel seen, loved, and important. No matter how many years passed, she never forgot a face or a name, and that speaks volumes about the kind of heart she carried.*

She poured love into her students, her church, and her community every single day. Her impact reaches far beyond the classroom walls and will live on in the countless lives she touched. Praying for comfort and strength for her family, church family, former students, and all who loved her. She will never be forgotten.
