“ *Dear Family,*

Not many people can say that they have a friendship with someone for about 60 years. That is how long I have been friends with Virginia. During that time, we became more than friends, we were sisters. To say that I am heartbroken is putting it mildly. Harvey, Billy, Joey, Shirl, Dot, and Jackie I am praying much for you. I wish I could be there with you on Monday, but please know that I will be there in spirit.

*Love you much,
Doll*
