“ *Still can not believe this is true. My Cuz only a few months older. We grew up together and shared many holidays. Recently we were talking about my move to Florida and she said she wanted to move soon here too. I miss her and her FB post. Now she's gone with the elders. Keep partying with my mom. Aunt Olive, Artie and Debbie and uncle Charles, and watch over little Roger, until we meet again cuz. Miss you RIP*

“ *Yvonne is one person that I can honestly say I've known her entire life. She was a precocious child, defiant teenager, and terrific mother and grandmother. I will miss my annual cross-country drive for girls weekend out. I still find myself going to the phone to catch up on what's going on but now I'm aware that she's at eternal rest... Love you always Celestine Short*
